Christmas Easy Piano By ComputeriteRE: Christmas By Dan Coates Easy PianoIt contains 10 Christmas SongsI love this book because it contains four of my old time favorite holiday songs. Found this book at . All of the songs are well known and family will enjoy singing along. It is great book for Teens and the Adult Beginner that are on Level 3 and/or for those that had not play the piano in a long time and wish to have easy playing music material for the holidays. Intermediate player on level 2 or higher 'might' find this book a too easy. I love practicing my favorite Christmas songs with this book because it is easy, it has the words and there is no struggle making too many mistakes.Mrs M Johnson0 of 0 people found the following review helpful.
