CD quality is excellent. Guitar accompaniment on some tracks helps with rhythm. These are the defining licks to the most iconic blues songs. Harmonica notation and music notation are right there. So thorough. Thank you Steve Cohen for the work you did in preparing this. You've saved me hours and hours of work. My students and I are super excited.0 of 0 people found the following review helpful. One of the best, if not THE best blues harmonica licks books ...By HazelnutOne of the best,if not THE best blues harmonica licks books with lots of renowned licks from legendary harp players.

(Harmonica). If you're just getting started or a veteran looking to add more licks to your arsenal, this book with audio pack is for you. From basic 12-bar blues backing riffs to mojo-packed solo licks, Steve Cohen shares 100 time-tested licks to help you get the most out of your 10-hole diatonic harp. All examples are played on a C harp and are written in standard notation and harmonica tab. The audio includes demonstration tracks for all of the licks many with play-along tracks. Includes: cross harp and straight harp licks; boogie-woogie licks; stop-time licks; ascending descending licks; funk licks; shuffle licks; horn-adapted licks; glissandro licks; octave licks; warble licks; over-blowing chromatic licks; turn-arounds and endings. Also include many riffs in the styles of Sonny Boy Williamson II, Little Walter, Howlin' Wolf, Jimmy Reed, James Cotton, and more!
