Delightful book! Each song is presented with chords and melody in standard musical notation, which is very helpful if you don't know the tunes. With 100 carols there are many that I've never heard before. And most songs include as many as four additional verses. THis book will keep you learning for many Christmases to come.

I love the huge selection of carols, and the arrangements are very pretty without being too difficult to play. (I would rate myself an advanced beginner.) This will be a favorite every Christmas!

As a beginner, I find most of the carols with which I am familiar, fairly easy to play. I like the fact that the opening note is included
