: **100 Victorian Architectural Designs for Houses and Other Buildings (Dover Architecture)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Victorian Architectural Designs for Houses and Other Buildings (Dover Architecture):

7 of 7 people found the following review helpful. DisappointedBy R ErwinI have a number of Dover books and love them. This one, however, was very disappointing. It is basically an advertisement for books that were available back then, so it has incomplete plans, drawings, etc. If you like them, you can order them from..... Well, not now over 100 years later.If you are looking for house plans, etc., there are very few. Just excerpts to wet your appetite (and frustrate...?)...1 of 1 people found the following review helpful. Images quality are not the best0 of 0 people found the following review helpful. Not as

detailed as described. By Michael GuessNot as many plans as you would think and not as much detail as I expected.

Originally published in 1878, this now-rare collection of designs supplies views of a remarkable variety of modestly priced structures: houses, villas, cottages, many others. Handsome drawings of perspective views and elevations, some of which include floor plans, plus suggestions for interior design. 98 black-and-white illustrations.
