**Sarah Downing : 101 Glimpses of Nags Head** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 101 Glimpses of Nags Head:

0 of 0 people found the following review helpful. Five StarsBy Candis GeorgeMust have if you live on Outer Banks or love it!

Nags Head boasts a plethora of natural wonders. From an ecologically unique maritime forest to breathtaking coastal dunes, the dynamics of the area corroborate the sentiment Thomas Nixon expressed in his 1964 classic. Indeed, as early as the 1830s, merchants and planters from the Albemarle region of North Carolina and Southside Virginia brought their families to Nags Head via boat to exchange the oppressive inland summer heat for cool ocean breezes. In this striking photographic collection, Downing illustrates why this scenic spot on the Outer Banks has been beloved

for generations by sun-seekers, sightseers and surfers alike.
