Shana Priwer : 101 Things You Didn't Know About Da Vinci: The Secrets of the World's Most Eccentric and Innovative Genius Revealed! before purchasing it in order to gauge whether or not it would be worth my time, and all praised 101 Things You Didn't Know About Da Vinci: The Secrets of the World's Most Eccentric and Innovative Genius Revealed!:

0 of 0 people found the following review helpful. So Easy To Read and Understand! By JC Desmond I am a firm believer in Self/Ongoing Education. This book definitely helped me along those lines. Shana Priwer and Dr. Cynthia Phillips have done an outstanding job in the writing of this book. I found some of the chapter titles humorous ("The mamas and the papas....."). The book helped me see Leonardo da Vinci in a new "light", and I am looking forward to further reading/research on this genius. The book is small and easy to read; I found myself taking it with me wherever I went. Leonardo da Vinci was truly a Renaissance Man. I liked that the writers took time to go into depth about the other great Renaissance Men (Michelangelo, Raphael, Botticelli) which I found very educational. The reading was an easy flow from beginning to end. 0 of 0 people found the following review helpful. Three Stars By John West Interesting but too much about color tones and painting techniques. 0 of 1 people found the following review

helpful. Doesn't do any justice to the genius - Da VinciBy Lyn6024I found this book tediously repetitive, and light on detail and facts. The style of writing was also inconsistent and often immature.

Thanks to the international bestseller *The Da Vinci Code*, people are more fascinated with Leonardo Da Vinci than ever. This multitalented man--arguably the greatest genius of all time--was not only a magnificent artist, scientist, and inventor, but also a politically minded radical who defied convention and participated in secret societies. This engaging, entertaining book reveals all the secrets about this wildly gifted man, from his prescient inventions and his lost art to his animal rights activism and his sexual preferences--not to mention his enemies and allies in the dark, turbulent world of his time. Readers learn everything they didn't know about the quintessential Renaissance Man the easy way, thanks to the engaging style of *101 Things You Didn't Know about Da Vinci*.
