Cute bookBy Kristin AdamsMy 2 year olds are obsessed with this book lol we had got a copy at an airport once when I was desperate to keep them entertained. Who knew it'd be their favorite?! It's been through a lot so I was happy when I found another copy on here!

This clever and delightful little book shows that, more than just a pretty face, Maine coons can serve a wide range of duties beyond simply being your adorable companion. Whether you need a boot warmer, piano tuner, or even a dog-sitter, the coon cats in this collection are willing and ready to help out their owners in any way they can.
