The great thing is, these exercises can be used for a broad spectrum of fingerpick style playing. Must be able to read notation. No tab in this version.0 of 0 people found the following review helpful. Great for the finger style and classical playerBy Charles W.120 ways to finger pick a C to G7 chord. Great for the finger style and classical player. I use it every day, a page a day. It helps right hand finger

agility, note reading. I use it as part of a warm-up before practicing my finger style arrangements. You'll be expert going C to G7!

Well thought out collection of exercises.

These studies constitute an irreplaceable part of the standard study material for classical guitar. They are designed to aid in maximum development of right-hand technique.
