A celebration of Yonge Street, from its beginning as a First Nations Trail to the Yonge Street we know today, extending from Toronto to Innisfil.

The Yonge Street as conceived by Lieutenant-Governor John Graves Simcoe is celebrated, from its beginning as a First Nation's Trail, to the Yonge Street we know today, extending from Toronto to Innisfil. Augustus Jones, the surveyor assigned by Simcoe, the French, the German pioneers, the Loyalists – all were to influence the building of Yonge Street. With the building of a route came tolls, inns, villages, more immigrants and ultimately an avenue of economy serving as the key transportation route for the people, goods and services that represent our province. From the Inside Flap A celebration of Yonge Street, from its beginning as a First Nations Trail to the Yonge Street we know today, extending from Toronto to Innisfil.
