R. Dodge Woodson : 2009 International Building Code Need to Know: The 20% of the Code You Need 80% of the Time: The 20% of the Code You Need 80% of the Time before purchasing it in order to gage whether or not it

would be worth my time, and all praised 2009 International Building Code Need to Know: The 20% of the Code You Need 80% of the Time: The 20% of the Code You Need 80% of the Time:

0 of 0 people found the following review helpful. NOPE!By John O. One of the most boring things I've ever read. This book desperately needs illustrations. If you aren't already familiar with the code, do not bother. Without illustrations it's very difficult reading. 0 of 0 people found the following review helpful. Building Code 2009 Need to KnowBy Stephen R. Riggs This edition is a great short cut for quick referencing of the 2009 Edition of the International Building Code. I was impressed with its ease of use. 12 of 15 people found the following review helpful. Needs more accurate product descriptionBy Mo. Unfortunately, this was not the 20% of the code I need. I was not looking for apartment building and shopping mall codes. I bought this based on the product description in the Kindle Store (optimized for mobile phones) which was vague at best. Hopefully this will direct the right person to this book.

2009 International Building Code Essentials at Your Fingertips This handy resource delivers quick access to international building code information. 2009 International Building Code Need To Know explains and interprets the most common International Code Council requirements.
