**From North Light Books : 2016 Photographer's Market: How and Where to Sell Your Photography** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2016 Photographer's Market: How and Where to Sell Your Photography:

2 of 2 people found the following review helpful. A Great Resource to Update Every Year, Especially for the Freelancer  
By KimberThis book is a good resource to keep updated every year, especially if you are a freelance photographer. The Photographer's Market keeps updated information on agencies and publications: their contact information, contact terms, requirements and pay. Of course what is available is dependent on what information is submitted. Another useful inclusion: the book tells you how open a publication or agency is to submissions- Ex: whether they accept work from unpublished photographers, or if they use stock images, images created on assignments, etc. In addition to submission information, The Photographer's Market has useful articles. If you take the

time to read them you may learn a lot, from the novice photographer to the more advanced photographer. There's a little something for everyone. 2 of 2 people found the following review helpful. I am so happy with this purchase  
By Customer  
I am so happy with this purchase. I got a great price, it got to me very fast and it is in great shape! Exactly what I wanted and paid for. I used Levy's Books Goods and I couldn't be happier with them. How fast I received my order was remarkable. 2 of 2 people found the following review helpful. Has a lot of indepth info on all aspects of ...  
By James Erickson  
Has a lot of indepth info on all aspects of marketing your photos. Addresses of dealers/buyers/websites alone is worth the price of admission!
