Have a good chord guide when using this book!By Marie CurrieInitially, I was excited to receive this book. It has some songs that I really enjoy. HOWEVER, there is a MAJOR issue with this book. The chord names and diagrams are incorrect. Either the names of the chords are wrong or their names are incorrect. (I.e. A7, F) This presents an issue for new players. If one thinks they are learning a particular chord they will discover they are learning an incorrect chord.
