By Paul Louis Farkas Having been involved in the study of jazz guitar for over 50 years I would have to say that this volume is one of the best I have seen. The transcriptions are extremely accurate. I have the recordings of most of them. The analysis is well done. All things considered, I would highly recommend this book to anyone interested in increasing their knowledge in the art of creating fine jazz solos.

(Guitar Book). From Charlie Christian and Django Reinhardt to Wes Montgomery, Pat Metheny, Kenny Burrell and

beyond, take an inside look at the genesis of jazz guitar. The book and audio compendium provides solo transcriptions in standard notation and tablature, lessons on how to play them, guitarist biographies, equipment, photos, history and much more. The accompanying audio features full-band demonstrations of every guitar solo in the book!
