Roger Ebert : 27 Movies from the Dark Side: Ebert's Essentials before purchasing it in order to gage whether or not it would be worth my time, and all praised 27 Movies from the Dark Side: Ebert's Essentials:

0 of 0 people found the following review helpful. Great ReadBy Book DenEbert has a way of breaking down movies that is clear and very interesting. He makes me want to see these movies and pay closer attention to the craft involved. If you love movies, this is a must read.0 of 0 people found the following review helpful. Ebert's Film CritiquesBy Ruth E. Shulman...are major treasures of the genre. He is much missed and I would live to see more themed collections of his work.0 of 0 people found the following review helpful. Three StarsBy R. A. ColsonEbert calls 'em like he sees 'em

Sometimes there's just nothing more absorbing than watching a movie that truly looks at life on the dark side, revealing those dark parts of human nature that we find so fascinating. In Roger Ebert's picks of 27 Movies from the Dark Side, he offers a varied selection from a look at the seamy side of life in L.A. in Chinatown to a backwoods murder gone wrong in *Blood Simple*. Throw in two classics from Alfred Hitchcock, *Notorious* and *Strangers on a Train*, and two French tours de force, *Bob le Flambeur* and *Touchez Pas au Grisbi* and you've got the primer on film noir.
