It was ordered in December and not sure if it got lost in the mail or what. Other books on this order we received. 0 of 0 people found the following review helpful. Great

Inspirations for all musicians and non-musicians. By Bettye J. Sullivan This is one of the best books I've purchased this year. Being a pianist for my church, I love it. Plan to share the title for others to purchase. This is great valued reading for all.

After the Bible, the church's greatest book for spiritual challenge, encouragement, and faith-building thought may be the hymnal. This brand-new devotional draws upon classic hymn lyrics, both familiar and lesser known, as the basis for brief, contemporary, daily meditations-365 in all. Author Daniel Partner delves into the deeper meaning of the great hymns, creating devotional readings that inform and inspire. Daily Wisdom from the Classic Hymns is perfect for those who love traditional hymns-but also an excellent resource for people who prefer more contemporary worship.
