The only negative is that it doesn't have enough of my favorite songs included. I found the three chord worship book more to my liking- not because I can't play Em (the easiest chord to play actually), but because the song offering in the 3-chord book suited me better. Still, I'm glad that I purchased both books.8 of 8 people found the following review helpful. Awesome Music BookBy jrændreasenI bought this book after getting the 3 Chord Worship Songs book. It has worked out great because I play with a group of young kids (14-11) who have very limited

experience. This book takes the same chords from the 3 Chord book and adds an E Minor so it is a great way to build on skills from the 3 Chord book. Between the two books there are about 50 songs that can be learned and are fairly easy to get down.3 of 3 people found the following review helpful. Great book for beginnersBy Chris and SherryI purchased this book to give me some familiar songs to play and expand my ability beyond the simple level one and two "learning to play" books I have been using. I've wanted to learn guitar for years and finally dove into it. While I still practice 18 different chords from time to time, having four to concentrate on really has improved my ability to play. It also provides individual notes, which I prefer to see while playing.

(Guitar Collection). More than two dozen Christian hits that guitarists can play using just four chords! Includes: All the Earth Will Sing Your Praises * All We Need * Ancient Words * Awesome God * Awesome Is the Lord Most High * Breathe * Everyday * Forever * Give Us Clean Hands * Glory to God Forever * Grace Flows Down * Hosanna (Praise Is Rising) * How Great Is Our God * I Will Rise * In the Secret * Lord Most High * Lord, You Have My Heart * Love the Lord * Mighty to Save * No One like You * Shout to the North * Trading My Sorrows * Unashamed Love * Unchanging * We Want to See Jesus Lifted High.

About the AuthorFounded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time.
