Briggs Co., Stephen Douglas : 400 Floral Motifs for Designers, Needleworkers and Craftspeople (Dover Pictorial Archive) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 400 Floral Motifs for Designers, Needleworkers and Craftspeople (Dover Pictorial Archive):

Grace your next needlework, craft, or graphic art project with just the right floral motif from this versatile collection of 400 beautifully rendered copyright-free designs. Reproduced directly from a rare Victorian-era album of transfer patterns by William Briggs and Company Ltd., these designs are among the finest of the period and are ideally suited for embroidery, textile design, woodworking, leathercraft, metalwork, and a host of other design and craft uses.

Included are floral borders, corners and centers, wreaths, delicate sprays, allover patterns, lovely compositions with birds and butterflies, and more.
