Is your child constantly asking you about things they see on TV? Such as "mom, dad, who is that guy on that TV show?", or, "mom, dad, why are these people always on TV?". A 50 Famous People of the World Picture Book will enable them to understand why some of those people are on their television sets, as well as why they are famous for what they do. When reading about these people, your child will begin to understand where hard work can get them. Who knows? Maybe your child too will be in such a book one day!
