0 of 0 people found the following review helpful. Wow!By kerriJust what I was looking for! Very informative and interesting. This book has given me some insight and a place to begin researching a career in illustrating.

This overview of the numerous markets that currently exist for illustrators reveals a vast and wide-ranging pool of potential freelance opportunities. This reference catalogs many lesser-known, supplementary markets beyond the

traditional, more-populated avenues for illustration assignments. Features fifty specialized markets in which artists and illustrators can potentially prosper.
