**Lauren Friedman : 50 Ways to Wear a Scarf** before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Ways to Wear a Scarf:

4 of 4 people found the following review helpful. Great gift!By Kindle CustomerThis is a great gift idea for almost any woman. It shows you so many different ways to wear a scarf. I got one for my mom and one for a friend. Before i gave it away i thumbed through and learned some new ways myself. I love braiding my scarf now, that is my favorite look. It has a nice cover and look to this book so its the perfect coffee table conversation starter.2 of 2 people found the following review helpful. ... around purses excetera I should have read the description better it is a good book if you want different ...By LT MilwNot quite what I was looking for this this was not just scarf around the neck but around purses excetera I should have read the description better it is a good book if you want different ways to work with scarves I was looking for strictly scarfs0 of 0 people found the following review helpful. Well illustrated, easy-to-understand guide to wearing scarvesBy CarlyI bought this book as a present for a friend with great style and found myself reading it and am now ready to get my own copy. It's well illustrated with easy to follow directions. I've had some unusually shaped scarves in my collection and have found uses for them, thanks to this book. My friend is going to love it...don't know if I'll be able to wait until Christmas, though....

From the Audrey to the Paris, the Top Down, or the Easy Breezy, there are 50 scarf styles in this book for any occasion or mood. Jaunty illustrations break down each step so stylistas can wrap, loop, and get out the door looking perfectly polished. Teens, young professionals, and moms alike will love playing around with the looks, including unexpected belts, sarongs, and topknots.

"A beautifully illustrated guide."-Glitter Guide"Five new ways to style our most essential piece."-Refinery29About the AuthorLauren Friedman is an illustrator who has collaborated with many notable brands and publications. Originally from Ann Arbor, Michigan, she is the creator of the blog My Closet in Sketches and currently lives in Washington, D.C.
