**From Dover Publications : 5000 Decorative Monograms for Artists and Craftspeople (Dover Pictorial Archive)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised 5000 Decorative Monograms for Artists and Craftspeople (Dover Pictorial Archive):

12 of 12 people found the following review helpful. Excellent ResourceBy S. A. BatteyThis copyright-free book has an enormous quantity of monograms, featuring each of the 26 letters of the alphabet with each of the 26 letters of the alphabet (i.e. A with A, A with B, and so on) in a monogram, in a wide variety of styles. Some more popular combinations have many examples, some have only one.Overall, I found this to be a fantastic resource in designing my own monogram and do recommend it for anyone looking to do something similar. The book itself is largish and softcover, which makes scanning out of it very easy and convenient.2 of 2 people found the following review helpful.

loved itBy bebex1980I love the various monogram choices. I am trying to work on initials for a friend of mine but I really and trying to find a book that has some really cool monogram letters in it.0 of 0 people found the following review helpful. Nice book Great sellerBy T.CamNice bookGreat seller, highly recommend them

Voluminous, diversified collection of ornamental two-, three-, and four-letter combinations —; all in a rich variety of styles. Arranged alphabetically in columns, each series is grouped under an appropriate head. Crowns, coronets, and many ancient and modern alphabets are displayed, making this comprehensive sourcebook of permission-free designs indispensable. 130 black-and-white plates.

From the Back CoverThis voluminous and diversified collection contains more than 5,000 examples of two-, three-, and four-letter combinations in a rich variety of styles. Arranged alphabetically in columns, each series is grouped under an appropriate head. Crowns, coronets, and a number of ancient and modern alphabets are displayed in the final plates, with many quaint and beautiful specimens of ornamental lettering found throughout the work. Indispensable to commercial artists and designers, the comprehensive sourcebook of royalty-free design will also be a boon to craftworkers. Unabridged republication of *An Encyclopedia of Monograms*, originally published by J. O'Kane, Pub., New York, 1884.
