Godey'sBy KarenGreat visual reference!This little book was just what I was looking for and I will put it to good use. Item was just as described.

Superb illustrations from a rare source provide authentic views of evolving Victorian fashions —; from high

necklines, elongated bodices, and fitted bonnets to extravagant bustles. The meticulously reproduced plates include depictions of dresses, gowns, and coats as well as accessories. A must for costume designers, cultural historians, and fashion enthusiasts. Introduction. Captions.
