Mark Schultz : A Brief History of Helen of Troy (Oberon Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brief History of Helen of Troy (Oberon Modern Plays):

Charlotte is fifteen and grieving over the loss of her beautiful mother. Her relationship with her father is put to the test

as she discovers sex, ambition and 'beauty products'; Inspired by Euripides but with its sights set firmly on contemporary America, *A Brief History of Helen of Troy* is an unsettling and startlingly authentic examination of complacency culture and the politics of beauty.

About the Author Mark Schultz, one of America's hottest young writers, is a member of MCC Theater's Playwrights' Coalition in New York. The play was first performed under the title *Everything Will Be Different* at Soho Rep in New York in April 2005.
