**G. Wayne Dowdy : A Brief History of Memphis** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brief History of Memphis:

No other southern city has a history quite like Memphis. First purchased in the early 1800s from natives to serve as a vital port for the emerging American river trade, the city flourished until the tumultuous years of the Civil War brought chaos and uncertainty. Yet the city survived. Through the triumphs and tragedies of the civil rights movement

and beyond, Memphis endured it all. Despite its compelling story, no concise history of this home of soulful music and unmistakable flavor is available to modern readers. Thankfully, local historian and Memphis archivist G. Wayne Dowdy has filled this gap with a history of Memphis that is as vibrant and welcoming as the city itself. Join Dowdy as he tells the city's story as only a Memphian can.
