**Cheryl A. Kashuba : A Brief History of Scranton, Pennsylvania** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brief History of Scranton, Pennsylvania:

It was a nice compliment to the other historical information that I gathered on the area1 of 1 people found the following review helpful. Electric City IlluminatedBy Roy E. WhitmanA Brief History of Scranton is a primer with a punch. It weaves the anecdotal with rare photos from the Electric City's past. As charming as a pocket-sized book of trivia, the work somehow manages to transcend the trivial to present a fairly cogent history of one of Pennsylvania's major cities. It is fine by itself as a pictorial history, but also nicely

complements the author's earlier work on the "Images of America" series. It is by no means the final word on the subject matter, but rather makes a great first start (endnotes and all) for even more comprehensive works. 0 of 0 people found the following review helpful. So many names and places you know but know so little about. Great read about a city with a history I knew so little about! The intense heat of the steel mills and the clatter of coal-filled locomotives once filled the streets of Scranton, Pennsylvania. Hardworking immigrants, iron rails, and anthracite coal from beneath the surface of the lush Lackawanna River Valley powered America's Industrial Revolution, and until World War II, the city reigned as a cutting-edge boomtown. Local journalist Cheryl A. Kashuba chronicles the history of Scranton from the glory days of the Lackawanna Iron and Coal Company and the Dickson Works through the post-Industrial decline and an eventual revitalization of the city. With a deft hand, Kashuba captures the spirit of a proud community and creates a fascinating portrait of the Electric City.

About the Author Joseph Cress has written about the history of Carlisle, Pennsylvania, at the Sentinel for ten years. He has received numerous awards for his work including eight Keystone Press Awards and two Associate Press Managing Editors of Pennsylvania Awards. Joe is a member of the Cumberland County Historical Society, which is the primary source for the images in the book. Though Joe does live 50 minutes from the borough in York, he commutes everyday to Carlisle and is well known in the area for his work.
