Steve Calderone : A Cool Yule: Ten Jazzy Christmas Songs, Intermediate, Advanced before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cool Yule: Ten Jazzy Christmas Songs, Intermediate, Advanced:

5 of 5 people found the following review helpful. Interesting and Different Jazz Christmas Arrangements - Especially "Silent Night"By Tom in Sierra MadreThis book contains jazz arrangements of 10 typical Christmas carols. I like to play the standard version of a Christmas carol and then transition into a jazz version. This book is very useful for this application. I believe that an advanced level of piano proficiency is necessary to get the most out of these selections.I would recommend this book just to get Steve Calderone's interesting and unique arrangement of "Silent Night". The purchase price of this book is justified by this selection alone.0 of 0 people found the following review helpful. Really awesome jazzy songsBy Kaylee PReally awesome jazzy songs. Realize that they are VERY advanced, but very fun to play. I gave some to my piano students, and they loved the sound of it. I even played it for a couple of performances

myself. Very catchy tunes if you're looking for a Jazzy Christmas performance. They include several Christmas songs so it gives you a variety. But make sure you buy it for someone who plays extremely difficult piano pieces level 5 and up at least.0 of 0 people found the following review helpful. ... bought this book years ago and the arrangements are fun and enough challenge for the more advanced playerBy michele bauerI bought this book years ago and the arrangements are fun and enough challenge for the more advanced player. I just bought another for my sister.

Pianists who are looking for new and exciting Christmas arrangements will love to see these renditions by Steve Calderone. Writing club date arrangements with a jazz flair, Calderone uses hip chord changes to bring new life to 10 traditional carols. Perfect for holiday parties.
