Henrik Ibsen : A Doll's House (First Avenue Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Doll's House (First Avenue Classics):

It's Christmastime in Norway, and Norma Helmer is preparing her lovely home for the holidays. A dainty, jovial woman, Norma is adored by her husband, Torvald, and their three children. But when an old friend comes to visit, Norma reveals that her life is not as carefree as it seems. Norma is keeping a secret from Torvald, a secret that would

shatter his illusion of her as the perfect wife. But is she prepared to maintain that illusion for the rest of her life? This unabridged edition of Henrik Ibsen's provocative three-act play, originally published in 1879, explores the life of a 19th-century wife, ready to disregard social customs and financial security for a shot at independence.
