The great thing is that you can go and listen to the songs on the web site that is listed inside the book. The only reason I gave 4 stars instead of 5 was that the songs were so easy that it was actually kind of hard to recognize a song. But I do feel that it's a useful book for a beginner to get comfortable playing and Bach is a good place to begin.0 of 0 people found the following review helpful. and I was very pleased to own the digital edition instead of lugging around ...By KD-DI bought this for teaching, and I was very pleased to own the

Perfect for my 9 year old second year student who loves classical.

These special arrangements offer beginning pianists the pleasure and satisfaction of playing Bach. Students of all ages will delight in these easy, pedagogical piano arrangements of familiar melodies such as "Jesu, Joy of Man's Desiring," "Sheep May Safely Graze," and the haunting opening from the "Tocatta and Fugue in D Minor." Arranged in order of approximate difficulty, 26 selections include "Air on a G String," "Wachet Auf," and highlights from the Brandenburg Concertos, the Goldberg Variations, and the Inventions. Additional features include a generous assortment of minuets, gavottes, bourreacutes, and other fun-to-play pieces.
