Sonora Carver : A Girl and Five Brave Horses before purchasing it in order to gage whether or not it would be worth my time, and all praised A Girl and Five Brave Horses:

I had seen the movie "Wild Hearts Can't Be Broken" which is loosely based on Sonora, and have the DVD. I remember seeing the diving horses on the Steel Pier in Atlantic City, NJ. But, according to the book she retired as WW-2 started. So, I was there after she'd retired. For anyone who fears the horses were in any way mistreated, this book should be a pleasant surprise. And, how Sonora deals with a life changing situation is nothing short of inspiring. Great story. Great gift!0 of 0 people found the following review helpful. Great BookBy KimI had seen, and really enjoyed the movie, "Wild Hearts Can't be Broken". I never realized it was based on a true story, and that there was a book about Sonora Carver's life, until recently. It was a great read, even my husband enjoyed it!0 of 0 people found the following review helpful. A must read.By T.C.An excellent book

that the movie Wild Hearts Can't Be Broken was based on. I loved actually reading the story written by Sonora. I was not aware how loosely based on the book the movie was and was very inspired by her independent spirit and desire to overcome her handicap. What an amazing uplifting story. A must read for young girls everywhere.

A Girl and Five Brave Horses is the story of Sonora Carver and was the basis for the movie Wild Hearts Can't be Broken. Carver answered the following want ad: Wanted: Attractive young woman who can swim and dive. Likes horses, desires to travel. See Dr. W. F. Carver, Savannah Hotel. From there she became the first woman to jump from forty and sixty feet into a pool of water with diving horses. Carver was blinded during a jump as a result of hitting the water off balance and detaching both of her retinas. Despite this she continued to jump for another eleven years. An amazing and inspiring story.
