Steven R. Schirripa, Charles Fleming : A Goomba's Guide to Life before purchasing it in order to gage whether or not it would be worth my time, and all praised A Goomba's Guide to Life:

0 of 0 people found the following review helpful. Fun read!By Emily HaraFun reading. Good basic Italian recipes.0 of 0 people found the following review helpful. Recipes looked pretty good.By Book LoverGave it as a gift to a Hungarian-Italian American. Recipes looked pretty good.0 of 0 people found the following review helpful. good readBy Bonnie A. Wrenmy son enjoyed the book.

Attention would-be paesans: Canrsquo;t distinguish ldquo;gabagoolrdquo; from ldquo;pasta fazoolrdquo;? Not sure

how to properly accessorize your track suit with gold chains? Does the phrase "go to the mattresses" make you sleepy? Now Steven R. Schirripa, The Sopranos' own Bobby Bacala, exposes the inner mysteries of this unique Italian-American hybrid in *A Goombas Guide to Life* so that anyone can walk, talk, and live like a guy from the neighborhood. Umm;ber-goomba Steve Schirripa shows how being a goomba made him what he is today, offering lessons learned on his own journey from Bensonhurst to Vegas, and to his current gig as Bobby Bacala on one of TV's most popular shows. Along the way, he shares secrets that will help you get in touch with your own inner goomba. You'll learn what music to enjoy (Sinatra, yes; Snoop Dogg, no), what movies to watch (Raging Bull, yes; Titanic, never), which sports to follow (baseball is good; golf and tennis, fuhgeddaboudit), and even tips on goomba etiquette. Ever wonder how a real goomba gets the best seat in the house? (Hint: It involves tipping, jewelry, and intimidation.) Schirripa even includes goomba do's and don'ts (never, ever criticize a goombas mother or her gravy; always wear more jewelry than you think you need). With knockout photographs of Schirripa and his compares, and insider information on how to think goomba, speak goomba, cook and eat goomba, and even how to behave at goomba weddings and funerals, *A Goombas Guide to Life* will show any wiseguy wannabe how to sing like a Soprano. From the Hardcover edition.

From Publishers Weekly Schirripa may be best known for playing a goomba on TV (he's Bobby Bacala, Uncle Junior's dimwitted lackey, on *The Sopranos*), but he has some first-hand experience to draw from as well. Schirripa grew up in the heavily Italian Bensonhurst section of Brooklyn, where his bookie father was arrested 32 times; he himself worked at Vegas casinos for years before stumbling into acting. But too much of this tongue-in-cheek how-to ignores Schirripa's potentially compelling life story in favor of shopworn riffs on Sinatra and prosciutto. ("Goomba culture is pretty simple stuff. All those cliches? They're true," Schirripa writes—which might make one wonder why a guide such as his is necessary.) Even with almost 30 pages devoted to recipes, the book feels padded, and Schirripa and Fleming are surprisingly stingy with *Sopranos* anecdotes. They strive for lowbrow authenticity—the word "ain't" shows up eight times in the first three pages, and one sentence begins, "Just like I been saying"—but end up sounding sloppy. *Sopranos* junkies may enjoy the occasional behind-the-scenes tidbit, and there are a few genuinely amusing moments. But the self-conscious style and overreliance on lists ("You might be a goomba if..." and the like) just might consign the book to "fuhgeddaboudit" status, despite its obvious marketing potential in *Sopranos*-themed displays. Copyright 2002 Reed Business Information, Inc. Finally, a Goomba guide for everyone that is one, knows one, or wants to be one. Steve Schirripa is a great storyteller with a touching and humorous story to tell. -- James Gandolfini Before reading this book, who was I? Just another punk kid on the street trying to stay out of jail. Now I'm a rock star, an award-winning actor, and a DJ on my own radio show. Thank you, Stevie! I owe it all to you! -- Stevie Van Zandt Put a gold chain on your neck, sit down on a plastic-covered couch, and then read what I think is the funniest book there is about Italians. Now have a cannoli and shut up. -- Ray Romanoldo Steve Schirripa is the best Italian writer since Maya Angelou and I'm not just saying that because he has a gun to my head . . . okay, yes I am. -- Chris Rock From one fat guy to another; and from a real goy to a real goombamdash; this book is hilarious! -- Louie Anderson I laughed until I ate. -- Kevin James This book is a heartfelt celebration of Italian-American culture from a guy who really knows his macaroni. Congratulations, Steve. Salute! -- Michael Imperioli Steve Schirripa's *A Goombas Guide to Life* absolutely killed me, stuffed my body in the trunk of a Monte Carlo, and then dumped me in the river. -- Bill Maher From the Hardcover edition. From the Inside Flap Attention would-be paesans: Can't distinguish gabagool? from pasta fazool?? Not sure how to properly accessorize your track suit with gold chains? Does the phrase "go to the mattresses" make you sleepy? Now Steven R. Schirripa, The Sopranos' own Bobby Bacala, exposes the inner mysteries of this unique Italian-American hybrid in *A Goomba's Guide to Life* so that anyone can walk, talk, and live like a guy "from the neighborhood."
