the margins to write your own notes... which is pretty great for additional symbols you learn about along the way.0 of 0 people found the following review helpful. Very usefulBy JHGreat reference book -- clear, interesting, not overly academic. If you enjoy art or travel abroad (especially Europe), this is a great book to have along to better understand and enjoy Christian art.7 of 8 people found the following review helpful. Great Reference BookBy A CustomerThis book is very informative and interesting. It is laid out in an easy to read way and is a great reference book for anyone who loves art. I would definitely suggest this book to anyone who has ever looked at Christian art and wondered what exactly does it mean.

Explore one of the richest and most rewarding aspects of Western art with this comprehensive easy-to-use, portable guide to Christian symbols.Organized like a primer, with hundreds of entries in 50 categoriesmdash;from A for Angels to Z for Zodiacmdash;this handy pocket reference enables you to recognize at a glance the identity and meaning of all the elements in any Christian work of art. 162 paintings from every century illustrate the enduring themes of our biblical heritage. A short introductory essay explains how to use the handbook and the functions of symbols in art. Cross-references, illustrations, a detailed index, and the pocket-book size make A Handbook of Symbols in Christian Art an invaluable work for museum-goers, students, travelers, art collectors, and general readers.
