Heru Ptah : A Hip-Hop Story before purchasing it in order to gage whether or not it would be worth my time, and all praised A Hip-Hop Story:

One of the best books I have ever readBy MatthewI want to commend Heru for his novel. I just finished the book and I feel emotionally attached to it. The last time I have

ever felt an attachment to a piece such as this was a novel I read in my "Crime and Punishment in American Literature" class. I did not have much knowledge of the hip-hop industry, but now I think I have a better understanding. I think however that the back cover of the novel is misleading, but in a good way. After reading this novel to just simply say it is a love story really does not capture how magnificent this story is. Micah to me is the most interesting character. I believe he is the Flawless Erika fell in love with. As flawless kept saying in response to Micah "this name", he never acknowledged him as a person when he was around or when Erika was explaining her love for him, I think his character was not meant for human existence but rather for a loving spirit that took on likeness to Flawless. I respect Hannibal the most, and I fell in love with Flawless. Truly an excellent book, much success in the future with the movie. Might I suggest DMX to play Hannibal's character?

The first novel to truly capture the fast and furious world of hip-hop -- one in which the line between art and life is blurred for two ambitious MCs whose battle to be #1 is fought with weapons and words. Rappers Flawless and Hannibal are two talented young men moving toward the same dream: to be the best, to take over the world, to see the big picture, to become the most respected rap artists of their generation. Along the way, they battle the business of mainstream hip-hop, industry honchos, crazy fans, and -- most of all -- each other. Caught up in their intense rivalry are Erika, Flawless's sister, and Micah, Hannibal's protegeacute;, two young lovers whose loyalties toward each rapper threaten to ruin their future together. A vivid journey through the underworld of urban music, it is a West Side Story remixed to the movement of hip-hop; a story of desire and dreams, all tied to the beat of hip-hop eternal.
