**Alison Fortier : A History Lover's Guide to New York City (History Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A History Lover's Guide to New York City (History Guide):

4 of 4 people found the following review helpful. Good for planning a visitBy CarolK\_CPAI bought this book in anticipation of a visit to NYC. It gave me more background on places and some good suggestions for things to visit outside the tourist spots (although it has info on plenty of those too).2 of 2 people found the following review helpful. A Great Book for New Yorkers and Tourists Alike!By QualityPetI've lived in New York for five years and this was a page turner because it completely opened up my eyes to the things around me that I never noticed. The author has a great style and the descriptions in the book are perfect for someone looking to get an in depth look at places and

landmarks that they never new existed. Highly recommended!0 of 0 people found the following review helpful. Great for visitors but even better for long time residents. By Lester Anderson Great book. Gives history of the areas in New York City, then gives a list of the various places or buildings that you can see or tour (with links to their website if available). I was born in NYC and I learned about a lot of interesting places to visit/tour.

New York is a city of superlatives. It has the largest population, greatest wealth, broadest diversity and most elegant museums in the nation. With that comes an amazing history. This tour of the Big Apple goes beyond the traditional guidebook to offer visitors and residents alike a chance to walk back in time along the streets of Manhattan. George Washington took his first oath of office on the steps of Federal Hall. Visitors can still dine at the famed Fraunces Tavern and worship at historic St. Paul's Chapel. From the Brooklyn Bridge to stunning skyscrapers, the city celebrates its own history and that of the nation. Join author Alison Fortier as she traces the history and heritage of America's largest metropolis.

**About the Author** Alison Fortier lived with her family at 15 West 72nd Street next to the famous Dakota Apartments. Alison is the author of *A History Lovers Guide to Washington, D.C.: Designed for Democracy* published by The History Press in May 2014. She has a BA from the College of William Mary and an MA in history from the University of Michigan. She is the widow of Donald Robert Fortier and the mother of Graham and Merrill Fortier.
