Andy Weeks : A History of Mormon Landmarks in Utah: Monuments of Faith before purchasing it in order to gauge whether or not it would be worth my time, and all praised A History of Mormon Landmarks in Utah: Monuments of Faith:

The home state of The Church of Jesus Christ of Latter-day Saints is a land of rugged mountains, deep canyon lands and majestic rivers. Utah and Mormon history are entwined, as so many early followers of the faith settled the region

beginning in 1847. They preserved their values and heritage in the numerous temples, forts, tabernacles and cemeteries that serve as historic sacred monuments for the modern church. Author and LDS member Andy Weeks explores the history behind the landmarks that exalt the rich, deeply rooted history of Mormonism in the Beehive State.

**About the Author**Andy Weeks is an award-winning journalist who has worked for newspapers and other media outlets in Utah and Idaho. His work, both fiction and non-fiction, has appeared in magazines in both the U.S. and the UK, and he is the author of several travel-related and history books, including *Haunted Utah: Ghosts and Strange Phenomena of the Beehive State*. He currently is at work on his next project.
