**Ana Pacheco : A History of Spirituality in Santa Fe: The City of Holy Faith** before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of Spirituality in Santa Fe: The City of Holy Faith:

0 of 0 people found the following review helpful. Her description of geological and Catholic history is excellent, renewing my appreciation of my spiritual homeBy Herbert P. ElyThis book brings back many memories - I grew up in Santa Fe. I was reminded of some of Santa Fe's more colorful figures. Her description of geological and Catholic history is excellent, renewing my appreciation of my spiritual home. At the same time, I was aware of diversity and the number of differing spiritual seekers and disciplines that have found a home there. I can remember radio

broadcasts about the mighty "I AM" and wondered about this religion and what had happened to it. Thank you Ana0 of 0 people found the following review helpful. Easy-to-read OverviewBy DeannaAn easy-to-digest overview of the history of spirituality in Santa Fe. Just enough to whet your appetite and convince you of the diversity of belief, thought, and practice there. Nothing in depth. While there are lots of dry names, dates, and places; where historical context is given, the facts are compelling.0 of 0 people found the following review helpful. Five StarsBy Luiza AmodeoThis was purchased as a gift but seemed to be another winner for Ana Pacheco.

Shaped by early volcanic activity, the Sangre De Cristo and Jemez Mountain ranges surrounding Santa Fe create a uniquely spiritual landscape. Centuries ago, the Anasazi and their Pueblo Indian descendants believed the land was sacred and established communities in the area. In the early seventeenth century, the Spanish brought Catholicism to Santa Fe and christened it the City of Holy Faith. Other European faiths arrived in the mid-nineteenth century. By the twentieth century, religions from the East, along with New Thought and New Age practitioners, had established a foothold in the capital city. Sikhism, the fifth-largest religion in the world, was introduced to the western hemisphere from Santa Fe. The nature-based UDV religion of Brazil founded its first center in the United States in Santa Fe, which also includes the four major lineages of Tibetan Buddhism. Santa Fe city historian Ana Pacheco documents the rich religious and spiritual history of this high-mountain metaphysical community.

"The book diligently fulfills its titlersquo;s promise to share the history of various spiritual communities. The combined effect of all of these coexisting traditions serves as a powerful tribute to how Santa Fersquo;s open-minded, do-your-own-thing ethos goes soul deep." Candace Walsh, New Mexico Magazine"Since its earliest recorded history, Santa Fe has been a center for spirituality.... After discovering her original Jewish lineage, city historian Ana Pacheco was inspired to write a book about the history of religion in Santa Fe, how and why each group came here, and what influence each religion has had locally and nationally."Santa Fe New MexicanAbout the AuthorAna Pacheco is the historian for the City of Santa Fe. She was the founding publisher and editor of La Herencia, a quarterly magazine on New Mexicorsquo;s Hispanic history. Pacheco wrote a weekly column for the Santa Fe New Mexican and is the author/editor of six books on New Mexico history.
