**Speedy Publishing LLC : A is for Animals!: Coloring Books for Kids (Art Book Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A is for Animals!: Coloring Books for Kids (Art Book Series):

0 of 0 people found the following review helpful. Printing is not easy but possibleBy Ali JuliaCute simple artwork for kids coloring. I don't think my kids have particularly great talent for drawing but I like coloring books because I think it teaches them patience and focus as well as fine motor skills. The shapes in the book are cartoon-like and cute. The reason I don't rate it higher because the book does not provide an easy way of printing. There is no pdf or link to a web site where a printable version can be downloaded. If you open the book on the Kindle PC viewer and select a print command you get a blank page. However, if you do a screen capture of the screen and save the image then you can print it. You have capture and print one page at a time.Ali Julia review0 of 0 people found the following review helpful. Kids love animals and now you will also.By M E LutherMy new addiction is coloring books, helps me calm down, helps me relax, and for awhile just escape from life. My imagination is allowed to be as wild as I want, or as

pretty or happy or sad, no matter my feeling, I can make the pages just mine. The best part is that with each new book, I find new ideas for colors, or textures. Easy to take with me when we camp. Glad I found these coloring books for adults and kids. Kids shouldn't get to have all the fun. 0 of 0 people found the following review helpful. A great way to keep the kids occupied during the summer. By Anya These coloring books are so convenient to have in a kindle access. I can open a link and print out as many coloring pages for my kids as I want to, and they're very easy to access. Having portability is very convenient, all I need is access to a printer and I can print as much as I need. A great thing for a mom with three kids on summer vacation!! Disclosure: I received this product for free or on a promotional discount for my honest review and they are 100% my own opinions. However your own opinion might vary. I received no monetary compensation and I am not required to give a good review. This disclosure is in accordance with the Federal Trade Commissions Guidelines on Testimony and Advertising. I try to do my reviews honest with the pros and cons I can see myself in a product, with facts that a potential customer might find useful. If my review was helpful to you, would you please vote yes.

**IMPORTANT - KINDLE EBOOK** edition of this coloring book is an **ART BOOK** and is **NOT** intended to be used as an **APPLICATION** that is capable of coloring on any device. **THIS BOOK IS A PREVIEW** — The sole purpose of this preview is to show the designs that are available in the physical copy of the book. Learning about animals at an early age promotes an awareness of how important they are for society to survive. This coloring book introduces animals to your little ones. Coloring is an enjoyable experience that will make children experience learning themselves. It is also an activity that is widely recommended for its ability to feature necessary like skills like confidence, patience, focus and relaxation.
