**Samuel L. Leiter : A Kabuki Reader: History and Performance: History and Performance (Japan in the Modern World (Hardcover))** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kabuki Reader: History and Performance: History and Performance (Japan in the Modern World (Hardcover)):

0 of 0 people found the following review helpful. A kabuki/theatre lover must-have!By Jonathan ReimerFor anyone

interested in kabuki, Japanese performing arts and history, and theatre journals, this is a must-have! This hefty book compiles some of the most fantastic essays on the history and artistry of kabuki. Definitely should be in any theatre historian's collection!

Unique in any Western language, this is an invaluable resource for the study of one of the world's great theatrical forms. It includes essays by established experts on Kabuki as well as younger scholars now entering the field, and provides a comprehensive survey of the history of Kabuki; how it is written, produced, staged, and performed; and its place in world theater. Compiled by the editor of the influential Asian Theater Journal, the book covers four essential areas - history, performance, theaters, and plays - and includes a translation of one Kabuki play as an illustration of Kabuki techniques.
