When was the last time you "cleared your throat or air" with your Mom (Dad, Friend, Children)?By Colleague of Smiley'sI gave this book to my wife for Mother's Day. I had my children each write their own letter, to insert into the book. It brought tears of joy, happiness and love to her upon opening. When was the last time you wrote a letter, "clearing the air" with your Mother (Father)? Release your inner truths, please don't die with them inside of you. You were given special gifts and talents when you were born. Don't die with these gifts within and without sharing these with the World.I love you Mom.1 of 1 people found the following review helpful. Perfect mother appreciation giftBy Brooke SSuch a good book! I gave this to my mom for Mother's day with a letter to her from me in it. She loved it and of course sobbed when she read it. It was perfect gift for the

occasion and an easy read! Is sure to touch any mom and bring a few tears along the way.1 of 1 people found the following review helpful. they both loved it and thought it was a very sweet giftBy -Addicted-AnonymousGot this book for my mother and mother-in-law for Mothers Day 2015. they both loved it and thought it was a very sweet gift. some very touching letters from some unexpected celebrities. and you are often surprised to read these letters-to-mom and find out who it was that wrote them at the end. very enjoyable and heartwarming book.

Including letters from Melissa Rivers, Shania Twain, will.i.am, Christy Turlington, and Kristin Chenoweth Just in time for Mother's Day, the next book in the A Letter to My series (after A Letter to My Dog and A Letter to My Cat) takes on mothers, with celebrities and civilians writing letters of gratitude and admiration to the women who raised them, alongside gorgeous, intimate photos.
