I paid for it right away and it's a coffee table staple for us now. Can't go wrong with Steve Powers. "All I Need is You New Shoes" 2 of 2 people found the following review helpful. I loved it!By Fangirl40A beautiful book, a great read (I really enjoyed Stephen Powers narrative voice) and most importantly a window on how public art can (and should) involve it's community. This would make great required reading for art and sociology students.0 of 0 people found the following review helpful. Five StarsBy Melizareally great book. steve powers is awesome, this made a rockin valentines day present

Stretched across city walls and along rooftops, Stephen Powers's colorful large-scale murals sneak up on you. "Open your eyes / I see the sunrise," "If you were here I'd be home," "Forever begins when you say yes." What at first looks like nothing as much as an advertisement suddenly becomes something grander and more mysterious; a hand-painted love letter at billboard size. Combining community activism and public art, Powers and his team of sign

mechanics collaborate with a neighborhood's residents to create visual jinglesmdash; sincere and often poignant affirmations and confessions that reflect the collective hopes and dreams of the host community. A Love Letter to the City gathers the artist's powerful public art project for the first time, including murals on the walls and rooftops of Brooklyn and Syracuse, New York; Philadelphia; Dublin and Belfast, Ireland; Satilde;o Paolo, Brazil, and Johannesburg, South Africa.
