Great Book!By Bill TusseyWhat a great book!I purchased this at SETC in 2016, and it was immensely helpful to me, as a performer, and my daughter, who was going through college auditions.Full of great information and insight, and very accessible to the average performer aspiring to be exemplary.

A Monologue is an Outrageous Situation! How to Survive the 60-Second Audition explains how to successfully tackle the "cattle call" acting audition with a sixty-second monologue. Through QAs, tips, director's notes, and a glossary full of outrageous actions meant to inspire the actor into truly connecting with the piece, this book shows actors where and how to find a monologue, edit it, and give the best audition possible.
