Jan Sanborn : A Month of Sundays: Thanksgiving and Praise: Advanced Piano Preludes, Offertories and Postludes for Four Services (Sacred Performer Collections) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Month of Sundays: Thanksgiving and Praise: Advanced Piano Preludes, Offertories and Postludes for Four Services (Sacred Performer Collections):

0 of 0 people found the following review helpful. An enjoyable book of arrangements for church. By Myrna G. Some pieces are pretty difficult. I bought it for "All Creatures of Our God and King". This piece is beautiful--though difficult. 1 of 1 people found the following review helpful. Love it! By James Williamson Really enjoy playing songs

from this book. Arrangements are very nice and written for the advanced player. This goes onto my "favorite piano books" shelf! 3 of 3 people found the following review helpful. Must have for the Professional By S. Schmitt This book is full of absolutely wonderful, creative arrangements of some of your all time favorite sacred Christmas songs. Quite tangible for the professional player with an impressive sound for your audience. A must have for professional or advanced pianists. I would warn the amateur or hobbyist, these might be a bit of a stretch for you. They do require practice, this would not be a sit down and read it book. True, some are easier than others but it might be more than a hobbyist or amateur would be looking for. I also recommend Christmas: The Best Christmas Hits from the Holiday Season, also by Jan Sansborn in the Popular Performer series- these are non-sacred Christmas hits. Also, amazing and well written.

Jan Sanborn's vast experience as a church musician has inspired her love for the old hymns, whose messages powerfully address our life experiences. *A Month of Sundays: Thanksgiving and Praise* is an extraordinary collection for advanced pianists that includes time-honored hymns for all styles of worship. The pieces are grouped into four prelude-offertory-postlude combinations (one for each Sunday of the month). The arrangements are fresh and unique, conveying a wonderful spirit of thanksgiving.
