**Jewel : A Night Without Armor** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Night Without Armor:

0 of 0 people found the following review helpful. Hidden Gems from Jewel!By T.J. BirkheadLet's face it, overall the poems aren't all that great. But who doesn't love Jewel? You can tell they were made in earnest and isn't that all that

matters? There are some hidden gems (no pun intended) in here, check out the one about the hot dog (not kidding!).2 of 2 people found the following review helpful. Love these PoemsBy AlexAwesome book of poetry. Just be prepared for some very short poems. I found them thought provoking and interesting, also enlightening about Jewel's life. My favorite quote is from one of her poems in this book:"The things you fear are undefeatable, not by their nature but by your approach."0 of 0 people found the following review helpful. A true poetBy CustomerWhat else can be said? Jewel has blessed us with a great volume of poems that stir the soul and warm the heart.

One of the most respected artists in popular music today, Jewel is much more than a music industry success with her debut album selling more than 10 million copies. Before her gifted songwriting comes an even more individual art: Poetry. Now available in paperback, *A Night without Armor* highlights the poetry of Jewel taken from her journals which are both intimate and inspiring, to be embraced and enjoyed. Writing poems and keeping journals since childhood, Jewel has been searching for truth and meaning, turning to her words to record, to discover, and to reflect. In *A Night Without Armor*, her first collection of poetry, Jewel explores the fire of first love, the lessons of betrayal, and the healing of intimacy. She delves into matters of the home, the comfort of family, the beauty of Alaska, and the dislocation of divorce. Frank and honest, serious and suddenly playful, *A Night Without Armor* is a talented artist's intimate portrait of what makes us uniquely human.
