**Young-tsu Wong : A Paradise Lost: The Imperial Garden Yuanming Yuan (China Academic Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Paradise Lost: The Imperial Garden Yuanming Yuan (China Academic Library):

This book is aimed at readers and researchers who are interested in Chinese garden architecture, the rise and fall of

Yuanming Yuan and the history of the Qing dynasty. It is the first comprehensive study of the palatial garden complex in a Western language, and is amply illustrated with photographs and original drawings. Young-tsu Wong's engaging writing style brings "the garden of perfect brightness" to life as he leads readers on a grand tour of its architecture and history.
