S. Bayly : A Pathognomy of Performance before purchasing it in order to gage whether or not it would be worth my time, and all praised A Pathognomy of Performance:

Exploring the themes of the event, ephemerality and democracy that mark the encounter between performance and philosophy, this original study elaborates fresh perspectives on the experiences of undoing, fiasco and disaster that shadow both the stage and everyday life.

'A book that asks the questions about performance that come before the commonly asked is a book that approaches a theatre philosophy. If such a thing were not a contradiction in terms Simon Bayly's *A Pathognomy of Performance* would provide us with the exemplary exception we have been waiting for.' - Alan Read, Professor of Theatre, King's College London, UK 'What this book offers on the study of the fleeting and transcendent is ultimately highly substantial, as well as provocative and wholly scholarly...' -Journal of Theatre Research International About the Author SIMON BAYLY artist and writer working broadly in the field of performance. He is a Principal Lecturer in Drama, Theatre and Performance at Roehampton University, where he teaches on the MA in Performance and Creative Research. Since 1992, he has directed the London-based live arts company PUR.
