My knowledge of history isn't the greatest but this book made it quite easy to learn ...By JamesMy knowledge of history isn't the greatest but this book made it quite easy to learn a lot. It was easy to follow along and quite honestly better than any course or any other book out there.0 of 0 people found the following review helpful. I highly recommend it.By tom sukowiczA pleasure to read. I didn't want to put it down. The arrangement of the material was helpful to see the connections between events and movements. I highly recommend it.0 of 0 people found the following review helpful. Great!By MadeleineGranted this is only the first volume, you need the second.Rosenwein is a brilliant writer. She takes these events and incorporates them in a way that makes history a bit more interesting to a biology student like me

Barbara H. Rosenwein's bestselling survey text continues to stand out by integrating the history of three medieval civilizations (European, Byzantine, and Islamic) in a lively narrative that is complemented beautifully by 70 full-color

plates, 46 maps, and 13 genealogies, many of them new to this edition. The fourth edition begins with an essay entitled "Why the Middle Ages Matter Today," and the book now covers East Central Europe in some depth. This edition includes three "Seeing the Middle Ages" features, each discussing a work of art in depth: An Ivory Diptych of Christ and the Virgin, Saint Luke, Gospel Book of Otto III; and A Shrine Madonna. The sections for further reading have been updated, and ancillary materials, including study questions, can be found on the History Matters website (www.utphistorymatters.com).

The latest edition of *A Short History of the Middle Ages* has everything you want in a medieval survey text: the narrative is pithy, the maps are plentiful, and visual culture is fully integrated into the historical context with numerous, beautiful reproductions. Simplified genealogies are presented alongside the discussion of dynasties, as well as in the appendix, and there are useful summaries of key events at the end of each chapter. It is a rare gem of a book that is sure to satisfy the needs and please the minds of students and instructors. (Barbara E. Logan, University of Wyoming)A Short History of the Middle Ages fully embraces the eastern portions of the European continent and the wider context of the Byzantine and Muslim Mediterranean worlds, making Rosenwein's dynamic account of the fitful emergence of medieval Europe the best on the market. The wonderfully rendered illustrations are deployed as learning tools and are intimately integrated into the book's smart yet accessible narrative. Timelines, maps, genealogies, and the accompanying website enhance learning and teaching. (John J. Contreni, Purdue University)The medieval world comes alive in this outstanding volume that engages students with a compelling historical narrative. Rosenwein's expert vision integrates exquisite illustrations and beautiful maps into a text that ably meets the instructor's academic demands. Well-researched and wide-ranging coverage of religious, cultural, regional, political, and social developments explode myths of a closed and colorless medieval world. A Short History of the Middle Ages is a real gem that blends utter readability with an impressive mastery of scholarship that will encourage further study. (Janice Liedl, Laurentian University)About the AuthorBarbara H. Rosenwein is Professor in the Department of History at Loyola University Chicago. She is the author of several books, including *Emotional Communities in the Early Middle Ages* (2006), *Negotiating Space: Power, Restraint, and Privileges of Immunity in Early Medieval Europe* (1999), and *Reading the Middle Ages: Sources from Europe, Byzantium, and the Islamic World* (second edition, 2014).
