**Rob Ryan : A Sky Full of Kindness** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Sky Full of Kindness:

0 of 0 people found the following review helpful. Beautiful to look at; wonderful to read.By Kindle CustomerAmazing and detailed illustrations. I expected that. What I did not anticipate is how much I loved the story. Everyone needs a copy of this book.0 of 0 people found the following review helpful. This book has a very simple and sweet plot lineBy CarineThis is my second book by Rob Ryan, and his illustrations are gorgeous. This book has a very simple and sweet plot line, and would be great to read with kids, or keep around if you love paper cut art.0 of 0 people found the following review helpful. Perfect to display, perfect to give, perfect to read again and againBy RRCouldn't be more precious story line. And every page is a masterful work of art.

Rob Ryan's papercut prose is so exquisitely intricate, it begs closer examinationmdash;and always captures a lingering eye. The story Ryan tells in this jacketed hardcover is a celebration of love and family just as heartfelt as it is visually

arresting: two songbirds eagerly anticipate the arrival of their first child, and as they tend to their nest, they can't help but worry about becoming parents. It's the generosity and support of their avian friends and neighbors that confirms the world awaiting their unborn chick is indeed full of kindness. Brimming with poetic verse, each page is a work of art that will charm new parents and longtime fans of Ryan's evocative imagery.

'Delightful...Ryan tells his tale entirely through exquisite cut-paper illustrations...the pictures are nothing less than extraordinary.' Sunday Telegraph 'We love Rob Ryan's paper creations. Made from delicate cut-out shapes, bright prints and accompanied by sharply witty words, his work is guaranteed to make you smile.' Elle 'Rob Ryan does magic.' Marie Claire 'Every page is a wonder, with something to delight in. The more the look, the more you see.' Telegraph 'Heartbreaking' Independent 'Stunning...his original style is universally renowned' Time Out 'A dazzling union of concept and craft' Big Issue 'Beautiful and moving' Sainsbury's magazine 'Charming' Harper's 'One for the heart' New Statesman 'Heavenly' Easy Living

About the Author Rob Ryan was born in Cyprus in 1962. He studied Fine Art at Nottingham Trent Polytechnic before going on to an MA in Printmaking at the Royal College of Art in London. He has collaborated with Paul Smith, Liberty, Fortnum Mason and many others.
