A. M. Nagler : A Source Book in Theatrical History before purchasing it in order to gage whether or not it would be worth my time, and all praised A Source Book in Theatrical History:

0 of 0 people found the following review helpful. Fascinating Primary SourcesBy CJI find these primary source materials fascinating. This book is widely used in college classes but it's interesting for anyone who is curious about the history of the theater.1 of 1 people found the following review helpful. When I received this book for my Kindle Fire, ...By Tom HoldenWhen I received this book for my Kindle Fire, I discovered that many pages were blank, with the text not continuing in order. Can anything be done to correct this? Tom Holden0 of 0 people found the following review helpful. The most comprehensive theatre history book everBy Dr. Tony ChurchillGreat narrative, and very

thorough. Really great read if you're a scholar of theatre and performing arts history. Definitely not an introductory level text!

A rich resource for students of theater and theater historians, this volume features an annotated collection of more than 300 unusually interesting and detailed articles. Passages by contemporary observers from ancient Greece to modern times include notes on acting, directing, make-up, costuming, stage props, machinery, scene design, and much more.
