T.M. Krishna : A Southern Music: Exploring the Karnatik Tradition before purchasing it in order to gage whether or not it would be worth my time, and all praised A Southern Music: Exploring the Karnatik Tradition:

0 of 0 people found the following review helpful. Five StarsBy dheepa sundaramgreat history of south indian music paying attention to the many different actors involved.0 of 0 people found the following review helpful. This is a GREAT book. A modern classic that needs to be ...By EydichiThis is a GREAT book. A modern classic that needs to be in every musicians' personal library; especially music conservatory libraries.1 of 1 people found the following

review helpful. useful readBy Santosh Kumar ShivaGot a wee bit text bookish . However has a lot of information on various aspects of Carnatic music .

One of the foremost Karnatik vocalists today, T.M. Krishna writes lucidly and passionately about the form, its history, its problems and where it stands today T.M. Krishna begins his sweeping exploration of the tradition of Karnatik music with a fundamental question: what is music? Taking nothing for granted and addressing readers from across the spectrum - musicians, musicologists as well as laypeople - Krishna provides a path-breaking overview of south Indian classical music.

About the AuthorVidvan T.M. Krishna is at the forefront of Karnatik music in India today and is known in the musical world as a classicist. His tremendous stage presence, great scholarship and ability to transcend cultural borders makes Krishna a great ambassador of Karnatik classical music. Besides performing, he is also involved with many organizations whose work is spread across the whole spectrum of Karnatik music, including research, archiving and documentation; taking Carnatic music to smaller towns and villages; conducting youth festivals; supporting artists from rural south India and spotting youth talent and giving them opportunities.
