Janet Burton, Karen Stöber : Abbeys and Priories of Medieval Wales before purchasing it in order to gage whether or not it would be worth my time, and all praised Abbeys and Priories of Medieval Wales:

Abbeys and Priories of Medieval Wales is the first comprehensive, illustrated guide to the religious houses of Wales from the twelfth to sixteenth centuries. It offers a thorough introduction to the history of the monastic orders in Wales (the Benedictines, Cluniacs, Augustinians, Premonstratensians, Cistercians, the military orders and the friars), and to life inside medieval Welsh monasteries and nunneries, in addition to providing the histories of almost sixty

communities of religious men and women, with descriptions of the standing remains of their buildings. As well as a being a scholarly book, a number of maps, ground plans and practical information make this an indispensable guide for visitors to Wales's monastic heritage.

About the AuthorJanet Burton is professor of medieval history at the University of Wales, Trinity Saint David. Karen Stoumb;ber is a lecturer in medieval history at the University of Lleida, Spain.
