**Claude Sarasas : ABC's of Origami: Paper Folding for Children: Easy Origami Book with 26 Projects: Wonderful for Origami Beginners, Kids Parents** before purchasing it in order to gage whether or not it would be worth my time, and all praised ABC's of Origami: Paper Folding for Children: Easy Origami Book with 26 Projects: Wonderful for Origami Beginners, Kids Parents:

1 of 1 people found the following review helpful. I wouldn't purchase this again...By christine echelbargerThis book sucks!! There is a cool selection of origami things to make, however it took me 2 hours to make one of the simpler ones because I couldn't figure out what it was "showing" you to do! there is literaly 1 or NO words in every set of "instructions" like "turn".....well ok but WHICH WAY?? It would be a little better if the steps were smaller because once I did figure out that step, I said to myself, " there could be at least 1 or 2 more steps in between these 2 steps!!"

So i don't recommend this book for people who don't have a lot of paitience!!! :(0 of 0 people found the following review helpful. One of My FavoritesBy rensThis book is one of my favorites. I gave it as a gift for a jr. high age boy excited about paper folding. He had already tried several projects successfully from my own copy. There are origami projects from "easy" to "challenging" within the book, satisfying all levels of paper folding. I really like how pictures of the actual project blend into a full color illustration of what it is. Step-by-step directions are understandable if you know the basics of paper folding.4 of 4 people found the following review helpful. Book was a gift for my granddaughter.By Mary MartinThis was a perfect choice for a six year old. She and her mom look forward to creating fun items. The directions are clear, as are the pictures of how to fold.

Create simple and elegant papercraft models with this classic origami book.The ABC's of Origami is the ideal educational origami paper craft book for children. Arranged in the traditional Andash;Bndash;C book sequence, this charming book displays a key word in English along with an origami folding exercise. Japanese translations of each featured word teach some Japanese language, as well.This easy origami book contains: 31 page, full-color book 26 (of course!) origami projects Step-by-step directions Colorful diagrams and picturesThe ABC's of Origami is the perfect book for kids and parents to work on together, as well as an educational origami art tool in the classroom. Use it to craft eye-catching origami for your friends, to beautify your homemdash;or as a wonderful gift for paper craft lovers. All of the folds are simple enough to be origami-for-kids projects and are a great way to learn origami. None of the projects require paint or glue so just grab some origami paper and start folding right away!Origami projects include: Albatross Boat Crow Deer Elephant Flamingo And origami projects G-Z!
